# MICHAEL GARRON HOSPITAL: THE HEART OF THE EAST

East Toronto is one of Canada's most diverse communities. Established neighbourhoods like the Beaches and Riverdale sit alongside those with high proportions of newcomers, like Crescent Town and Thorncliffe Park. Poverty and isolation - two of the most critical social determinants of health - affect people in East Toronto disproportionately.

Michael Garron Hospital is a true community hospital, providing high-quality healthcare close to home for everyone who lives in Toronto's east end. We pride ourselves on being the Heart of the East, caring for people during some of the most significant and vulnerable moments in their lives.

At Michael Garron Hospital, we believe that when members of our community are healthy, they can reach their full potential

and contribute more to their family, neighbourhood, and ultimately, Canadian society.

For more than 27 years, the Michael Garron Hospital Foundation signature Golf Classic has been one of Ontario's top charity golf tournaments. Thanks to our generous sponsors, proceeds from the Golf Classic will support the hospital's renewal and expansion, ensuring the highest level of care for everyone in our community.
