SPONSORSHIP OPPORTUNITIES

About the event

Join us for our Celebration of Food & Wine in support of Michael Garron Hospital. At this exclusive event, we invite our closest friends to enjoy an evening of wine, food and entertainment at the lakeside setting of the Toronto Hunt.

Each year, we feature the foods and wines from some of the best the world has to offer. Wine aficionados may already know the secrets of Portuguese soil, but many wine drinkers don't know what they're missing. Portugal has a great tradition of winemaking with a wealth of distinctive indigenous grape varieties bred from a wonderfully varied climate and topography. Undergoing something of a quiet revolution over the last 20 years or so, Portugal's reluctance to follow trends is now paying dividends and the new breed of wines are more than able to compete on the world stage. The unique flavours have become a hallmark of Portugal's wine varieties – good news for those looking for a change from the ubiquitous.

We invite you to be a part of this memorable evening that celebrates our extraordinary donors for their generosity and their role in creating a stronger, healthier East Toronto community.

Sponsoring Michael Garron Hospital Foundation's Celebration of Food & Wine shows your customers and clients that you care about a cause that is important to them: the health of their community.

A sponsorship will also position your brand as one associated with health and the vibrancy of Toronto's east end to 300 of Toronto's top philanthropic and community leaders.

Diamond sponsor

\$10,000

- Eight tickets to event
- Exclusive at-event titling opportunity
- Half-page advertisement in event program
- Verbal recognition at podium
- On-site signage with logo recognition
- Logo recognition on sponsor banner

- Logo recognition on sponsor banner
- Logo recognition in evening program

Gold sponsor

\$2,500

- Two tickets to event
- On-site signage with logo recognition
- Logo recognition in evening program

Great care inspired by community.

At Michael Garron Hospital, we care for people during the most significant and challenging moments in their lives: from the birth of a child to the death of a loved one, and everything in between.

We serve 400,000 people in East Toronto, one of Canada's most diverse communities, as well as people throughout the city who seek our skill and expertise. We treat each person who comes through our doors like a neighbour and we've done so for nearly 100 years.

There's never been a more exciting time to be involved here. Thanks to the generosity of community leaders through our successful Heart of the East Campaign, our new Ken and Marilyn Thomson Patient Care Centre is now welcoming patients. The new facility offers bright, uplifting spaces, more single occupancy rooms with greater privacy, as well as conveniently located outpatient clinics. Further renovations to our legacy campus are underway to support our community's evolving needs.

Your sponsorship will help us continue to keep pace with the speed of innovation and emerging knowledge by providing the latest equipment, community-based programs and research to improve patient care. With your support, we deliver great care and compassion to everyone who turns to us for help. For that reason, your sponsorship of our Celebration of Food & Wine shows your customers just how much you care for your community.
