MICHAEL  
GARRON  
HOSPITAL  
FOUNDATION

You care about making a difference in your community. Now you can show your love for East Toronto with a gift **From the Heart** to support Michael Garron Hospital.

When you give to Michael Garron Hospital, you invest in the health and well-being of everyone in East Toronto and people from surrounding areas who seek our skill and expertise.

Donors like you help fund new medical equipment, enhanced patient care spaces and community-based health programs – many of which are not covered by the government. You help us bring great care to those who need us, at some of life’s most crucial moments.

To celebrate your generosity, your name – or that of a loved one or business – will be added to our From the Heart installation.

This display is prominently located in our Ken and Marilyn Thomson Patient Care Centre lobby, across from the Dr. Molly Rundle & Stephen Lister Auditorium.

From the Heart features a collection of engraved glass orbs available in three sizes and colours. A beautiful representation of our community’s generosity, it shows our strength in numbers.

Every gift matters, and together we can make an extraordinary impact when we set our sights on a common goal.

"We want to help ensure everyone in our diverse east end community has better health outcomes and with that, a stronger ability to thrive. From the Heart struck a chord; it gave us the chance to play a meaningful role in the hospital's new chapter."

JEN BERMINGHAM & ANDY WILLIS

Join the **From the Heart** program at the \$5,000, \$10,000 or \$15,000 level and your generosity will be celebrated with a personalized glass orb. Text of your choice will be engraved to recognize your support, honour someone special, or commemorate an occasion.
