About the event

JOIN US FOR OUR
CELEBRATION OF FOOD & WINE
IN SUPPORT OF
MICHAEL GARRON HOSPITAL.

This exclusive event brings together our closest friends to enjoy an evening of wine, food and entertainment at the Toronto Hunt.

This year, we're inviting our guests to settle a debate about which South American wine region reigns supreme. Will it be the luscious, dark Malbecs of Argentina's high-altitude wineries or the intense, spicy Carménères from Chile's coastal vineyards? It might be that an exciting varietal tips the scales!

One thing is for certain, glasses will be raised high in celebration of our extraordinary donors. Your sponsorship of this eagerly anticipated event helps us say *muchas gracias* to the people whose generosity is creating a stronger, healthier East Toronto community.

Great care inspired by community.

At Michael Garron Hospital, we care for people during the most significant and challenging moments in their lives: from the birth of a child to the death of a loved one, and everything in between.

Our hospital serves 400,000 people in East Toronto, one of Canada's most diverse communities, as well as people throughout the city who seek our skills and expertise. We treat each person who comes through our doors like a neighbour and we've done so for nearly 100 years.

Thanks to the generosity of our supporters, our Ken and Marilyn Thomson Patient Care Centre reflects the excellence our community has come to expect from our team. Its bright spaces, increased convenience and privacy for patients, and leading-edge medical equipment allow our physicians and staff to be at their best for everyone who needs us. Renovations to our legacy buildings are underway to bring more patients a modern experience of the care they know and trust.

Your sponsorship will help us provide state-of-the-art technology, community-based programs and innovative research to improve patient care. What's more, your support of our Celebration of Food & Wine shows your customers how much you care for your community.
