FROM THE HEART

You care about making a difference in your community. Now you can show your love for the east end and give **From the Heart**.

With our historic redevelopment well underway, you can be part of a once-in-a-generation opportunity at Michael Garron Hospital.

Our new Ken and Marilyn Thomson Patient Care Centre, opening in 2022, will be enhanced by a dedicated art piece inspired by our \$100-million Heart of the East fundraising campaign. Elegant and eye-catching, it will be prominently located outside of our public auditorium, near the new main lobby. Engraved glass orbs of three sizes and colours will be arranged in a striking display that captures the spirit of Michael Garron Hospital as the heart of our East Toronto community.

Giving a gift **From the Heart** will support Michael Garron Hospital's transformative redevelopment project, which will replace half of our hospital by 2024. Construction of the new patient care centre and extensive renovations throughout the existing hospital space will ensure our facilities match the level of care we provide, close to home, for East Toronto's diverse population of 400,000 people. When you give, you'll be making an investment in the well-being of our entire community — because when people are healthy, everyone benefits. **Leave a mark that will improve health for everyone in East Toronto for years to come.**

“We want to help ensure everyone in our diverse east end community has better health outcomes and with that, a stronger ability to thrive. From the Heart struck a chord; it gave us the chance to play a meaningful role in the hospital's new chapter.”

JEN BERMINGHAM & ANDY WILLIS

Renderings of the Ken and Marilyn Thomson Patient Care Centre

Join the **From the Heart** program at the \$5,000, \$10,000 or \$15,000 level and your generosity will be celebrated with a personalized glass orb. Text of your choice will be engraved to recognize your support, honour someone special, or commemorate an occasion.
