

LOVE THE EAST

**Support Michael Garron Hospital
and show your community how
much you Love the East**

1 in 6

That's how many community members use our hospital each year.

Michael Garron Hospital (formerly Toronto East General) plays a central role in the lives of everyone living in East Toronto. We're here to provide excellent healthcare—close to home—at every stage of life.

Now we're elevating the way we deliver care through the transformation of our aging campus. An historic redevelopment project is well underway on the corner of Coxwell and Sammon. We have committed to raising \$100 million to help fund this through our Heart of the East campaign, and we're over \$81 million already!

That's why we want you to join us. **We need your help to make our vision of a healthier East Toronto a reality.**

Your support of Michael Garron Hospital means so much more than a donation: it is an investment in the well-being of our entire community.

Join our **Love the East** program for local businesses, leaders, and groups, and publicly demonstrate your commitment to your community. **Together, we can create better health for all those who live and work in our vibrant neighbourhood.**

The benefits of participation

- Show that you care about the health of East Toronto—people support businesses that give back
- Motivate employees—they'll take pride in helping their community
- Earn recognition through Michael Garron Hospital Foundation channels and show everyone that you Love the East
